MECHANICAL ENGINEERING

The Journal of The American Society of Mechanical Engineers

INDEX TO VOLUME 57

January–December
1935

Published by
The American Society of Mechanical Engineers
29 West Thirty-Ninth Street, New York

Index to Mechanical Engineering

Volume 57, January–December, 1935

(BR) denotes Book Review, (C) Correspondence, Ed (Editorial), (S) Survey of Engineering Progress

ADVISORY BOARD OF TECHNOLOGY
Budgeting of effort under (Ed) 69

AERIAL TRANSPORTATION
Federal aviation commission recommendation (S) 179

AERONAUTICS
A.S.M.E. junior study group on 744

AGRICULTURAL ENGINEERING. *See* FARMING

AGRICULTURE
Relation to industry 345

AIR
Oxygen for industry from 691
Pollution of (S) 591

AIR COMPRESSORS
Junkers free-piston (S) 246

AIR-CONDITIONING EQUIPMENT
Standards for rating and testing 746

AIRCRAFT
Quill bearings for (S) 184
Rotary-wing efficiency of (S) 244

AIR FILTERS. *See* MINE VENTILATION EQUIPMENT

AIR, FLOW OF. *See* FLOW OF AIR

AIRPLANE CARRIERS
Design of (S) 791

AIRPLANE ENGINES. *See also* AUTOMOBILE ENGINES
Automatic power and mixture control for (S) 791
European, at Paris Show (S) 436
Exhaust tail-pipe for (S) 377
Forced-draft cooling for air-jacketed (S) 795
Fuel-injection pump for (S) 795
Hydrogen as auxiliary fuel in compression-ignition (S) 794
Lubrication (S) 252
Manufacture, Great Britain (S) 245
One-pound-per-horsepower Pegasus X (S) 657
Testing parts by magna-flux method (S) 446

AIRPLANE MANUFACTURE
Fokker (S) 244
Great Britain firm merger (S) 244

AIRPLANES
Biplanes (S) 584
Gyroplane (Ed) 205
Hornet moth (S) 584
Landing of (S) 112
Lanier "Vacuplane" (S) 658
Mignet (S) 657
"Pou-du-Ciel" (S) 657
"Varivol" (S) 658

AIR RESISTANCE. *See* AUTOMOBILE DESIGN, Air-resistance tests

AIR TRANSPORT
Federal Aviation Commission recommendations (S) 179

ALCOHOL
Use for fuel (S) 251

ALDEN HYDRAULIC LABORATORY
Venturi and weir measurements 369

ALFORD, L. P.
Biography of 738
Industrial relations (BR) 668
Work assignment in silk and rayon manufacturing 679

ALLEN, CHARLES M.
Biography of 395
Discussion of paper by (C) 667
Venturi and weir measurements 369

ALLOYS
Beryllium (S) 180
Beryllium-copper and beryllium-copper-cobalt (S) 659
Heat-resistant (S) 717
Iron-chromium-aluminum (S) 717
K monel metal (S) 659
Low-melting-point (S) 585
Tungum (S) 658

ALLOY STEEL
Magnetic, new K.S. permanent (S) 45

ALUMINUM
Corrosion prevention (S) 189

AMERICAN ASSOCIATION FOR THE ADVANCEMENT OF SCIENCE
Officers of elected 134
Section M plans for St. Louis Meeting 810

AMERICAN BUREAU OF WELDING
Reorganization of 674

AMERICAN CHEMICAL SOCIETY
Celebration of American Chemical Industries Tercentenary 272
Heat transfer symposium, announcement of 812

AMERICAN ENGINEERING COUNCIL
Annual meeting (Ed) 70
Annual meeting, report of 199
Engineering profession survey 132
News notes 68, 266, 336, 396, 461, 532, 606, 671, 742, 814
Reese assistant secretary of 338

AMERICAN FOUNDRYMEN'S ASSOCIATION
Announcement of 1935 meeting 466

AMERICAN GEAR MANUFACTURERS ASSOCIATION
Meeting announcement 336
Speed reducer rating adopted by 674

AMERICAN INSTITUTE OF ARCHITECTS
S. F. Voorhees president of 461

AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS
Meeting announcement 396
Officers of elected 530

AMERICAN INSTITUTE OF MINING AND METALLURGICAL ENGINEERS—A.S.M.E.
Fuel values committee, report of 131

AMERICAN PETROLEUM INSTITUTE—A.S.M.E.
Unfired Pressure Vessel Code 131

AMERICAN SCIENTIFIC CONGRESS
Mexico City, Sept. 8–17, announcement of 606

AMERICAN SOCIETY FOR TESTING MATERIALS
Coming meetings of 202
Officers for 1935–1936 464

AMERICAN SOCIETY OF HEATING AND VENTILATING ENGINEERS
Meeting announcement 336

AMERICAN SOCIETY OF MECHANICAL ENGINEERS
Aeronautic division, progress report, copies of available 268
Aeronautic meeting (St. Louis, October), announcement of 267
Aeronautic meeting (St. Louis, October), papers available 816
Aeronautic meeting (St. Louis, October), program for 603
Aeronautic meeting (St. Louis, October), report of 810
Annual meeting (1934), report of 33
Annual meeting (1935) (Ed) 678
Annual meeting (1935), announcement of 671
Annual meeting (1935), program for 738
Annual meeting (1935), technical program plans for 604
Applied mechanics meeting (Ann Arbor, June), announcement of 267
Applied mechanics meeting (Ann Arbor, June), plans for 334
Applied mechanics meeting (Ann Arbor, June), program for 395
Applied mechanics meeting (Ann Arbor, June), report of 534
Boiler code interpretations. *See* BOILER CODE
Business meeting (June, 1935), report of 511
Business meeting (December, 1934), report of 37
Candidates for membership 68, 136, 204, 272, 340, 400, 466, 536, 608, 676, 746, 816
Capital-goods industries committee, report of 9
Committee appointments 461
Committee on manual of practice, cooperation with (Ed) 402
Constitution, proposed amendments to 532
Constitution, passage of amendments to 81
Council executive committee meetings, reports of 63, 200, 395, 744
Council meeting (June, 1935), report of 530
Council meeting (October, 1935), report of 808
Council meeting (December, 1934), report of 37, 38, 62
Employment, committee on, report of 129
Estimated cost of activities for 1935–1936 (table) 531
Estimated income for 1935–1936 (table) 531
Fifty-year badges, presentation of 36, 265
Financial condition 331
Graphic arts division formed 267
Honorary membership, conferring of 34
Junior aeronautic study group 744
Junior award, conferring of 34
Junior group, second anniversary meeting of 39
Junior participation in affairs of 608
Local sections, coming meetings of 68, 136, 202, 268, 340, 746, 816
Lubrication engineering committee, reorganization of 132
Machine shop sessions at Machine Tool Congress (Cleveland, September), program for 534
Main award, conferring of 37
Management division committee chairman 134
Manual of practice committee, report of 130
Medal, presentation of 36
Members, deaths of 68, 136, 204, 272, 340, 466, 536, 608, 676, 746, 816
Members, memorial notices of (Ed) 537
Members, professional data on (Ed) 273
New secretary of ..... (Ed)1, 38
Nominating committee for 1935–1936 38
Nominating committee solicits suggestions 134
Officers for 1935–1936, election of 744
Officers for 1935–1936, nominations for 527
Oil and gas power meeting (Tulsa, May), announcement of 268
Oil and gas power meeting (Tulsa, May), program for 334
Oil and gas power meeting (Tulsa, May), report of 461
Petroleum division, chairman of appointed 134
Printing industries division changes name 267
Process industries division appointments 268
Professional divisions, progress reports of, 1934 99
Railroad division progress report, copies of available 268
Reemployment program 129
Semi-annual meeting (1935), announcement of 267
Semi-annual meeting (1935), papers requested for 134
Semi-annual meeting (1935), plans for 333, 390
Semi-annual meeting (1935), program for 391
Semi-annual meeting (1935), report of 509
Student award, conferring of 37
Student branch bulletin (Ed) 609
Technical committee meetings (December, 1934), report of 40
Textile meeting (Greenville, April), announcement of 267
Transactions, papers in 68, 136, 204, 272, 340, 400, 466, 536, 608, 676, 746, 816

A.S.M.E.—A.I.M.E.
Fuel values committee, report of 131

A.S.M.E.—A.P.I.
Unfired Pressure Vessel Code 131

A.S.M.E.—A.S.C.E.
Hydraulic meeting, program for 66

ANDERSON, RUSSELL H.
Biography of 670
Technical ancestry of grain-milling devices 611

ANGUS, ROBERT W.
Biography of 808
Kreitner's diagram for water-hammer problems 781

APPLIED MECHANICS
Fourth international congress, proceedings of ready 66
Stresses in overstrained materials (S) 791

APPRENTICES
Training, methods of 421
Training, national 420

ARMOUR, JAMES W.
Slag tapping of boiler furnaces (C) 667

ARMSTRONG, FLOYD E.
Biography of 808
Security markets 766

ARMY ORDNANCE ASSOCIATION
A.S.M.E. members invited to meeting of 672

ARNSTEIN, KARL
Biography of 527, 603
"The Comet"—high-speed train 479, 553

ATOMIZATION. *See* DIESEL ENGINES, Fuel injection
